

Sidewalk Machine Operators and Crew Members

JOB POSTING

Job Type:
Full-Time

Description: Join our team! We are currently recruiting crew members and experienced machine operators for our sidewalk maintenance crew. Crew leaders should hold a valid G2 or G license with a clean abstract and possess a working cellphone with data. While experience is preferred, it is not required. As an added incentive, we offer a lucrative bonus plan to all employees!

Duties & Responsibilities:

- **Vehicle Inspections and Documentation (Crew Lead):** Conduct thorough vehicle inspections, fill out log sheets, and complete necessary documentation.
- **Route Planning:** Read and interpret site maps, plan walk routes, and prioritize tasks efficiently.
- **Snow Removal:** Shovel/push snow away from building walkways to designated areas, typically within the parking lot.
- **Weather Conditions:** Work in all weather conditions, ensuring timely completion of tasks.
- **Flexible Hours:** Successful candidates must be available for flexible hours and have their transportation to reach the Hurontario and Bovaird area.
- **Punctuality and Reliability:** Punctuality, reliability, and positive attitudes are highly valued.
- **Availability:** Candidates must be available 24/7, including holidays.

Hourly rates start at \$20-\$30/hr based on experience. The position has the potential to evolve into full-time employment with a benefits package in the spring.

Apply now to be part of a dynamic team and contribute to the success of our sidewalk maintenance operations!

We appreciate all applicants received; however, only those selected for an interview will be contacted
